Upon all these questions it was then a unit, and held the same opinions this gentleman, has the following: North and South, East and West. But as it was perceived that the Democratic dogmas in reference to these subjects were becoming un. to solicit the sympathy and support the pur emphatically than when Calhoun uttered the twelve months the Governor has been the sentiment, the Democratic party is held together only by the cohesive power of public plunder. It has no other opinion or sentiment in der. It has no other opinion or sentiment in common. Individuals may think as they all the other Black Republican presses please upon every subject of public policy, but so long as they call themselves Democrats they are imperatively required to vote for Democratic candidates for office, and so long as the public plunder is the prize to be won they will stand together as a Democratic party, "one and indivisible." Patriotism is utterly out of the question. The interests of the nation are day of the regular spring and fall meeting of the as dust in the balance compared with a party Board of Police, make a true return to the Bord triumph, and the lamentable and disgraceful spectacle is presented to the eyes of the people of a great political organization without any number of hands under his charge, the number distinct and peculiar political opinions, held of defaulting hands, and the amount of fines together purely by mercepary motives and collected together with the ability of the hands together purely by mercenary motives and collected, together with the ability of the hands controlled by despotism—the worst of all despotisms—party spirit.

And when John Cochrane declared, a few days ago at TOR SALE. Tammany Hall, that, "were Fernando Wood a devil incarnate, the fact of his selection as the standard-bearer of his party is enough to rally to his support the ranks of of the Union office, is for sale. For the Democracy," the sentiment was applauded by the assembled hosts of Democrats and August 19, 1857...tf. by the assembled hosts of Democrats and acknowledged to be soundly Democratic. Are the Democrats of Kentucky willing to endorse these sentiments? Are they such abject slaves to their party leaders that they dare not vote in opposition to the candidate of their party crew if he were a felon, or the devil himself incarnate? We ask them in serious earnestness if such a party, or if any party avowing such infamous and despicable subjection to varty tyranny, is fit to select those who are either to make or to administer our laws. BE GENTLE AT HOME -There are few families, we imagine, anywhere, in which love is not abused as furnishing the license for im-politeness. A husband, father or brother will security of love and family pride keeps him from getting his head broken. It is a shame that a man will speak more impolitely, at times, to his wife or sister than he would to any other female, except a low and vicious one. It is thus that the honest affections of a man's nature prove to be a weaker protection. a man's nature prove to be a weaker protection to a woman in the family circle than the Derringer and Self-Cocking Pistols, flicts his spleen and bad temper upon those Hanging and the putting up of Lightning Rods, of his hearthstone, is a small coward, and a February 18, 1857-1y. very mean man.
